

## PRACTICAL ACCESSORIES

### Spraying lances, accessories

### Article-No.

Spraying lance extension 80 cm	2334 123
Spraying lance extension 150 cm	2339 400
Spraying lance extension 200 cm	2334 124
Glue attachment	2335 394
Fill and dosing attachment	2335 388
Angle head 70°	2337 672

### Mortar hoses

### Article-No.

DN19, V/M 27, 2 m incl. swivel joint	2334 131
DN19, V/M 27, 10 m	2325 193
DN25, V/M 27, 10 m	2325 197
DN35, V/M 35, 13.3 m	2325 199

### Pump casings / spirals

### Article-No.

Pump casing W15/2, 270x89, brown	0348 925
Pump casing W10/2.5, 270x89, black	0348 311
Pump casing W10/3, 270x89 yellow	0348 315
Pump spiral W10/3, Ø = 40 mm, L = 320 mm, yellow	0348 316
Pump spiral W10/3, Ø = 40 mm, L = 320 mm, brown	0348 926
Pump spiral W10/3, Ø = 40 mm, L = 317 mm, black	0348 312

**Our quality will convince you. And that's a promise.**

Anyone purchasing a WAGNER paint spraying unit automatically receives a three-year manufacturer's warranty. But we can do more: If you register online, you can extend this warranty for a further two years, free of charge!

## POWERFUL HELPER FOR HARD WORK

### Powerful, compact and versatile

# THE POWER TO HANDLE LARGE VOLUMES

Compact and lightweight at exceptional performance: 58 kg weight, max. spraying height 20 m and 40 m delivery radius sprays a material with a grain size up to 6 mm

Easy cleaning and on the job handling: automatic stator dismantle function and automatic pressure release

For large areas and mobility: integrated 50 litre plastic tank, four wheels and a low height

Maintenance free and robust: brushless motor for a high torque

## TECHNICAL DATA

Weight	58 kg
Motor output	2.2 kW
Voltage	230 V / 50 Hz
Max. operating pressure	40 bar, 4 MPa
Max. delivery rate	Pump yellow 10 l/min Pump brown 15 l/min
Max. spraying height	20 m
Max. radius of action	40 m
Max. grain size	6 mm
Article number	2361 588

# THE PUMP IN DETAIL

### Plastic materialhopper

for an easy cleaning with a capacity of up to 50 litre

### Compact dimensions

With a height of 62 cm the unit can be easily filled using buckets or combined with a flow mixer

### Automatic stator extraction

Fast separation of pump and suction system, also great for quick assembly. Ideal for easy cleaning and transport.

### Perfectly equipped for all construction sites

Big, pneumatic tires ensures mobility on all construction sites

### Ergonomic spraying lance

Due to it's modular construction and accessories (e.g. the lance extension) the spraying lance can adapt quickly to any project

### Included in scope of delivery

PC 1030 comes complete ready to spray incl. mortar hose (DN 25, 10 m), automatic spraying lance with nozzle and toolbox
